These Tires Are a Revelation

The Brunswick is frankly a combination of the best in tire

There is one tread that's supreme beyond question. And that is now on Brunswicks.

There is one side-wall construction, which, by every test, Giolds the summit place for endurance. And that one was adopted for Brunswicks.

Fabrics differ — up to 30 per cent — in their strength tests.

On Brunswicks the maximum long-fiber is the standard. There are certain additions, each one expensive, which add wastly to tire mileage. The Brunswick embodies all these

There are no patents, no secret formulas to prevent any maker from building the best. It is simply a question of knowledge and skill—cost plus care.

Brunswick standards are known the world over. The very name certifies an extraordinary tire. Yet Brunswicks cost no more than like-type tires.

Buy ONE Brunswick. It will prove that a better tire can not be bought, regardless of price. THE BRUNSWICK-BALKE-COLLENDER CO.

But in serious cases he calls in the Specialist. Why? He knows as every Mother knows, or ought to know, that Baby is just a baby needing special treatment, special remedies.

Can a Mother be less thoughtful? Can a Mother try to relieve Baby with a remedy that she would use for herself? Ask yourself; and answer honestly! Always remember that Baby is just a baby. And remembering this you will remember that Fletcher's Castoria is made especially for Infants and

Advertising by the use of large space, the expenditure of huge sums of money have placed on the market, have put in your home, perhaps, many articles that today have been discarded, as you will readily admit. Do you recall anything that has more modestly appealed to the public than has Fletcher's Castoria: modest in all its slaims, pleading

at all times—and truthfully—for our babies? The big splurg, the misleading claims may win for a time, but the honest truth-telling advertiser is like the old story of the tortoise

that beat the hare. Mothers everywhere, and their daughters, new mothers, speak frankly, glowingly, enthusiastically in praise of Fletcher's Castoria. Speak of it lovingly as a friend that has brought comfort, cheer and

smiles to their little-one. There are substitutes and imitations as there are for the diamond, for anything of value. One might almost say that that which is not
